

Sign In Page

The screenshot shows a web browser window with the URL 'localhost'. The browser's tab bar contains several tabs: 'Project Deliverables', 'softwaref... Overview - Soft...', 'get | Cypress Documentation', 'BNR Ride Share' (active), 'PDF to Word Converter - 10...', 'BNR Rideshare - Google Slid...', and 'benjamin-weinberg/Fundam...'. The website's header features the 'BNR Ride Share' logo and navigation links for 'Home', 'Features', and 'Pricing'. A 'Log in/Sign Up' link is positioned in the top right corner. The main content area has a dark blue background with a bright light source at the bottom center, creating a lens flare effect. A 'Back' button is located in the top left. The central focus is a login form with a title 'WELCOME TO BNR RIDE SHARE' in large, yellow, italicized letters. Below the title, the form includes a 'Username' input field, a 'Password' input field, and a 'Login' button. At the bottom of the form, there are two links: 'Not a memeber? Sign up here!' and 'Forgot Password?'.

Sign Up Page

The screenshot shows the same web browser window as the Sign In page, but the 'BNR Ride Share' tab is active. The website's header and navigation are identical. The main content area features a 'Register' form. The form has a title 'Register' and includes the following fields: 'Your Name' (with placeholder 'Enter your Name'), 'Your Email' (with placeholder 'Enter your Email'), 'Username' (with placeholder 'Enter your Username'), 'Password' (with placeholder 'Enter your Password'), and 'Confirm Password' (with placeholder 'Confirm your Password'). Below these fields, there are radio buttons for 'Driver' and 'Rider'. A large blue 'Register' button is at the bottom of the form, and a 'Login' link is located at the bottom left of the form area. The background and light effects are consistent with the Sign In page.

Forgot Password

The screenshot shows the BNR Ride Share website's password reset page. The page has a dark blue background with a bright light source on the left, creating a lens flare effect. The title "Password Reset" is displayed in a large, yellow, cursive font. Below the title is a form with two input fields: "Username" and "email", each with a small blue icon to its right. Below the input fields is a "Send reset link" button and a link that says "Not a member? Sign up here!". The website's navigation bar at the top includes "BNR Ride Share", "Home", "Features", "Pricing", and "Log in/Sign Up". A "Back" button is located in the top left corner of the main content area.

Admin Create Ride

The screenshot shows the BNR Ride Share website's admin create ride page. The page has a dark blue background with a bright light source on the left, creating a lens flare effect. The title "Rides Without a Driver" is displayed in a large, yellow, cursive font. Below the title is a form titled "Create your own ride" with five input fields: "Start Location:", "Enter Destination:", "Start time:", "Ride Date:", and "Create Ride" button. The "Ride Date:" field has a placeholder "YYYY/MM/DD". The website's navigation bar at the top includes "BNR Ride Share", "Home", "Features", "Pricing", and "Hello admin".

Driver Create Ride

The screenshot shows a web browser window with the URL 'localhost'. The browser's tab bar includes 'Project Deliverables', 'softwaref... Overview - Soft...', 'get | Cypress Documentation', 'BNR Ride Share', 'PDF to Word Converter - 10...', 'Screen Shots - Google Docs', and 'benjamin-weinberg/Fundam...'. The website header for 'BNR Ride Share' contains links for 'Home', 'Features', and 'Pricing', and a 'Hello driver' greeting. The main content area features a dark blue background with a large, faint watermark reading 'ackg...dsy.co'. A central white form titled 'Create your own ride' contains the following fields: 'Start Location:' with a text input 'Start location', 'Enter Destination:' with a text input 'Desination', 'Start time:' with a text input 'Start Time', and 'Ride Date:' with a text input 'YYYY/MM/DD'. A blue 'Create Ride' button is positioned at the bottom of the form. Below the form, the text 'All Rides without a Driver' is displayed in a large, yellow, italicized font. At the bottom of the page, a table header is visible with columns: 'Pick-Up', 'Destination', 'Start Time', 'Ride Date', and 'Capacity'.

Driver Sign Up to drive A ride

This screenshot shows the 'Driver Sign Up to drive A ride' form, which is a modal overlay on the same website. The form is titled 'Ride Date:' and contains a text input field with the placeholder 'YYYY/MM/DD'. A blue 'Create Ride' button is located at the bottom of the form. The background of the page is the same dark blue with the 'ackg...dsy.co' watermark. The text 'All Rides without a Driver' is visible in the background. Below the form, a table displays ride history with the following data:

Pick-Up	Destination	Start Time	Ride Date	Capacity
Dyersville	Palm Beach	05:50:00	Mon May 06 2019 00:00:00 GMT-0500 (Central Daylight Time)	4
Iowa	Missouri	00:00:00	Tue May 14 2019 00:00:00 GMT-0500 (Central Daylight Time)	4

Each row in the table has a 'Submit' button to its right. Below the table, the text 'Driver History' is displayed in a large, yellow, italicized font. At the very bottom, another table header is visible with columns: 'Pick-Up', 'Destination', 'Start Time', and 'Ride Date'.
